Sir:

My name is Sujit B. Kotwal, registration number 43,336. I am a patent attorney working at Townsend and Townsend and Crew LLP.

This statement is being mailed as registered first class mail along with a sealed Express Mail envelope having label "EL 265 818 868 US" addressed to Box Patent Application, Assistant Commissioner of Patents & Trademarks, Washington, D.C., 20231-0001. This Express Mail envelope contains a patent application titled

**"Techniques For Retrieving Multimedia Information Using A Paper-Based Interface" by Jonathan J. Hull et al. (Attorney Docket Number 015358-007200US).**

On November 19, 2001, I arrived at the Hamilton Street, Palo Alto, CA, post office at approximately 4:30 PM with the intention of depositing the enclosed Express Mail envelope (having label "EL 265 818 868 US") with the United States Postal Service under 37 CFR § 1.10.

The postal clerk at the Palo Alto post office refused to accept this Express Mail envelope, because on Friday, November 16, 2001, Patrick R. Donahoe, Chief Operating Officer and Executive Vice President of the United States Postal Service (USPS) issued a memorandum temporarily and immediately suspending Express Mail service to Washington, D.C., ZIP Codes 202xx through 205xx (e.g., 20231). The United States Patent and Trademark Office has designated this interruption in the Express Mail service of the USPS as a postal service interruption within the meaning of 35 USC § 21(a) and 37 CFR § 1.6(e).

I submit that the above identified Express Mail correspondence would have been filed on November 19, 2001, if it were not for the designated interruption or emergency in the United States Postal Service. Accordingly, I request under the provisions of 37 CFR § 1.6(e) that the enclosed application (Attorney Docket Number 015358-007200US) be granted a filing date of November 19, 2001.

If I can be of further assistance, please call me at 650-326-2400.

Respectfully submitted,

*S. B. Kotwal*
